

Oguruma Plays Host To The Itchy And Scratchy Show

by Mark Buckton

Makunouchi men Yoshikaze, Takekaze plus Juryo counterpart Wakakirin all put in similarly solid sanban performances at this morning's Oguruma Beya asageiko with no-one particularly outstanding.

They were joined by Azumazeki Beya's Takamisakari who made the trip from well north of the Kokugikan to the Kiyosumi

Shirakawa area well to the south and DID look in fine form - if we dare add that. He may be one to watch out for come Aki.

Lower rankers of note included Mongolian Hoshikaze who looked strong with a large number of victories in his own extended period of sanban-geiko.
