

## **Hong Kong Heading West for SWC, 2007**

***by Mark Buckton***

SFM is glad to report that one of the most popular, even if not successful sumo nations at recent world championships, Hong Kong, will again be represented by Mr. Samson Mak and his rikishi.

As President of the Hong Kong

Sumo Association, Mr Mak recently confirmed the attendance of his fighters in Chiang Mai from November 14th as they prepare for the showdowns starting on the 16th with the regional Asian Championships.
