

## Japan Times Online - Sumo Interactive

From Tuesday, January 8th, the online arm of Japan Times, Japan's only independent English language daily newspaper, will be going interactive by offering readers the chance to question, chat and generally get together online with the JTO sumo columnist Mark Buckton - Editor-in-Chief of Sumo Fan Magazine.

For at least 60 minutes, (from

10 p.m. Japan time at [http://www.japantimes.co.jp/sports/chat\\_entry.html](http://www.japantimes.co.jp/sports/chat_entry.html)) on the Tuesdays immediately before and immediately after the basho, as well as after the day's bouts on the evenings of Days 3 and 10, sumo fans from around the globe are invited to sit down and share just how they feel ahead of, during and after the action wraps at each of the year's six tourneys.
